

A really  
EASY way  
to cook...

of course—  
it's electric!

Easy? Say—there should be a new word invented to sing the praises of carefree, effortless cooking on a modern electric range! Millions who have tried it say it's even easier than easy.

A modern electric range is completely automatic and absolutely dependable. Electrical controls are accurate—so you just prepare the foods, turn 'em over to the range and go on about your other activities. When you're ready to serve the food is cooked, and cooked right.

Yes, easy does it and does it right, with a modern electric range. It's the cooking method you've been wanting—so see your electrical appliance dealer now.

## Torrance Shares in Community Chest Organizational Trophy

The harbor area, which includes Torrance, has won the Valentine trophy for leading the way among Los Angeles areas in organizing volunteers for the forthcoming Community Chest campaign.

Harbor Area Chairman Noble Waite had a lot of praise for Torrance City Chairman Jack Dabbs and his volunteer leaders for their part in the organizational contest.

So far, Torrance is 100 per cent organized. But Dabbs warned that Torrance cannot sit back and rest on its laurels.

"Although we were 101 per cent by the September 13 deadline for the trophy, we still need 330 more volunteers before the campaign gets into swing," Dabbs said. The next deadline is September 23. The Valentine trophy is awarded periodically to the area that is leading in organization for the campaign.

Roger Snell, age 13, of 17511 Corise, did a neat bit of reporting this week. According to Roger, his brother Jimmie Snell celebrated his 11th birthday with a "bang-up" party this past week. Among the guests were Donald Alford, Connie Jaime, Bob Mitchell, Roger Jackson, Gail Mason, Fred Bond, Jean Surrell, Darlene Holmbeck, David Babbitt and Raymond Edison. Mr. and Mrs. R. L. Servais of Lancaster, grandparents of Jimmie, were also present.

Fun-makers and hats all added to the excitement of becoming 11 years old. Jean Surrell was the grand prize. Jimmie received many nice presents but best of all was a complete Boy Scout uniform.

Mr. and Mrs. Harold Rosenberg, 18336 Regina, have just returned from visiting Mrs. Rosenberg's father, Mr. Millard Surrett of Bristow, Oklahoma.

Fisherman's Wharf in San Pedro was a gay spot to be this past Friday. The beginners square dance class meeting at McManis Hall on Tuesday attended the Fiesta. Among those were the Richters, Collins, Dyers and Runsteads. Several hundred dancers attended.

After having worked on the water bond petition in our area, I was amazed at the number of residents who have not registered to vote. I speak for all areas, but Crenshaw Crest in particular. This is not an obligation, but an opportunity, and many haven't had the time as yet to register. In our district we have Evelyn Glick, 3223 West 188th street, who will register persons so desiring. Any day but Saturday you may register at the city hall. Volunteers will register residents at Market Manor and perhaps door-to-door in the near future. Try to register at one of these places before election on November 5.

Mr. and Mrs. Dave Dyer, 17030 Crenshaw, attended the Alameda picnic at Montebello this Sunday.

Better pay more attention to your commercials on TV. According to Mrs. Vera Wright, 18238 Roslin, it pays off. Mrs. Wright was called on the Stu Wilson show and asked questions concerning the commercial.

Visiting at the McClain home at 18336 Roslin are Mr. and Mrs. John Ellis of Santa Barbara.

Residents will be busy greeting the new neighbors on Roslin avenue. Three new families are now on this street. The Harry Forbes family, formerly of Jamaica, Long Island, N. Y., consists of Harry, a graduate of Columbia College and his English war bride of Exeen Devonshire, England and their three children.

The Forest Perkins, of 18321 Roslin, were formerly of Springfield, Missouri, and liked the area, so purchased a home here. They have two children.

The Denzuo family moved to their new address from Gardena. This location was much to their liking.

Mrs. Barbara McGeechey, of Perry PTA, will hold a committee meeting today for all persons who will operate booths at the school carnival October 19 from 6 to 9 o'clock.

Last Saturday I attended the Pomona Fair along with my husband and Mr. and Mrs. Pierce of Inglewood. So many very interesting things to see. We were all of one mind as far as the closets in the model home were concerned. The manufacturer has really made a closet to end all closets. A wardrobe inset in the wall opening to form a dressing room with a floor-length mirror and twin closets.

We looked at the Adler sewing machine too. It makes a buttonhole while you or I are inserting the attachment! Much time was spent admiring the exhibit of roses.

While the husbands looked under the hoods of new automobiles, we listened to the organist play "Tonight We Love" and "Too Young." Lots of eye appeal and ear appeal, too!

Then of course the Fun Zone, where the largest crowd catcher was a red-nosed guy on a board above a tub of water with not even a Fifth Amendment to hide behind, shouting "Spend your dough, hit old Joe," and the baseballs were flying thick and fast with more than one giving Joe a ducking.
